1. Serban Voinea, former Rumanian Minister to Bern and present leader of a Rumanian socialist faction, and Alexander Bunesco, a dissatisfied National Peasant leader in Paris, are advocating that Era Noua, the Rumanian news-paper edited in Paris by Alexander Visan, be designated as the organ of the so-called "democratic forces" among the Rumanian emigres. Mihai Raut, another dissatisfied National Peasant official, reportedly has displayed little enthusiasm for this proposal.
2. The proposed use of Era Noua has been the subject of several meetings held in the apartment of Bunesco.
